FACILITY USE PRIORITY CLASSIFICATIONS**

The following classifications shall apply for purposes of determining priority use as well as applicable fees and charges¹. User categories shall be determined by the Director of Parks & Community Services subject to the City's appeal process.

Category I City of Watsonville conducted, sponsored or co-sponsored² activities.

City Council approved use agreements.

Pajaro Valley Unified School District activities as may be defined in either a mutual use agreement or specific facility joint use agreement.

Pajaro Valley Unified School District activities at the request of a School administrator for a specific time period (but less than that defined as a "continuous use") for a specific school use when such use does not interfere with normal operations of a particular facility. PVUSD uses in these cases will not be charged a fee. PVUSD is responsible for student and site supervision. In addition, this use is subject to "bumping" for a fee paid reservation by an individual or community organization eligible to rent the facility.

Category II Private or parochial schools within the Pajaro Valley.

Non-profit 501(c)(3) youth or senior groups.

Pajaro Valley Unified School District requests that would create a regular use of a facility, which may require City to staff facility, and would displace other occasional users, and when such use would preclude use by the City for its own programs or rentals by others.

Category III Non-profit 501(c)(3) adult groups

Category IV Special interest community groups, private groups or individuals, unions, political groups or others not meeting the above criteria.

Category V Continuous users are defined as anyone renting the facility for a minimum of two-3 hour per day (2) days a week and eight (8) days a month. Consideration will be given to existing programming and other rental opportunities prior to scheduling continuous users. A 40% fee reduction is applicable. A 60% fee reduction is applicable to non-profit youth groups.

¹ Facilities rented by any of the above categories for which an admission is charged or donation accepted or a profit is to be made, shall pay an additional 85% (or 185%) of the applicable rate

²An event may be co-sponsored if the event and co-sponsoring organization meet the following criteria:
