Spring 2009 Men's Softball: The Season of the Underdog!

It's been done before, but not very often: The #4 seed takes home the first place trophy! This didn't just happen in one division... it happened in two! Monday night's D5 and Tuesday night's D4 league playoffs were gloriously dominated by the #4 seed. Who doesn't love an underdog victory?!

Monday night's D5 playoff teams were Watsonville Auto Body, Hustlers, Los Diablos, and Team La Plebada winning the Championship!

Tuesday night's D4 playoff teams were Outlaws, Those Guys, Terror Squad and Las Animas Concrete taking first place.

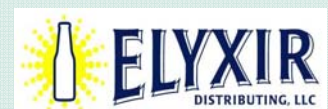

Wednesday night's D3 playoff teams were New West Cooling, Big Tuna's, Clean 2 Perfection and Str8 Hustln' taking first place.

Friday nights "Open" playoff teams were GNC, Str8 Ballin', Diablos and Team Rinaldi winning taking first place.

The Fall 2009 season is ready to go Monday, August 10th at Ramsay Park's softball field. For detailed information, please visit our website at www.watsonvillerec.com
